Grand Total: \$93.97

[KEEP SHOPPING](#) [SECURE CHECKOUT](#) [🔒](#)

The shopping basket page shows an image of the products, the brand name, the price for each product and the total of the amount of products. Here, the customer can choose to increase or decrease the amount of products or delete them from the basket.

They'll see the total cost for all products combined, how much the delivery costs, and the grand total with products and delivery.

From here, they can choose to go back and keep on shopping, or proceed to checkout.

The checkout page consists of a form for the customer to fill out their delivery information, as well as a summary of the products, the subtotal per product type, and the amount of products per brand/type.

There's also a summary of the total number of products, order total, delivery, and grand total.

At the bottom, they can choose to save delivery information to their profile, and then proceed with payment with credit card.

Page loading screen

An overlay screen to show the customer that their order is being processed and hides the customer form.

◀ KEEP ON BROWSING!

The checkout success page shows a summary of all the products, their prices, the order number and order date, all the delivery information entered by the customer, and the billing information with order total, delivery, and grand total.

There's also a success alert popping up with the order number, telling the customer they'll receive a confirmation email.
